Dues payments are not deductible as charitable contributions for federal income tax purposes. Dues payments (or a portion) may be deductible as a miscellaneous itemized deduction. The Revenue Reconciliation Act of 1993 has eliminated the individual federal income tax deduction for lobbying expenses paid or incurred as a part of membership dues on or after December 31, 1993. This change will affect only those members who itemize deductions and meet the two percent required for additional miscellaneous deductions. Those members will not be able to deduct as union dues 2.04 percent of their AEA 2009-2010 dues. This is the percentage attributable to lobbying expenses on the state and national level. The exact dollar amount will vary depending on each member's category of membership.

As a participant in the Arizona Education Association/National Education Association Early Enrollment Membership Incentive Plan, I am eligible to receive—prior to September 1, 2009, but in no event before April 1, 2009—benefits under the NEA Educators Employment Liability (EEL) Program, as well as access to select NEA and AEA Member Benefits programs. As a condition of eligibility for these benefits, I agree to pay the appropriate unified **Active** membership dues for the 2009-10 membership year in accordance with established payment procedures. Should I fail to do so, my eligibility to receive benefits under the NEA EEL Program shall immediately terminate. In addition, I shall become liable for the cost of any benefits that were provided to me under the NEA EEL Program and AEA member benefits prior to September 1, 2009.

With full knowledge of the above, I hereby agree to pay cash for, or authorize my employer to deduct from my salary, in accordance with the agreed upon payroll deduction procedure, my membership dues as revised annually and as revised each membership year thereafter, provided that I may revoke this authorization as of September 1 of any year by giving written notice to that effect on or before that date. If for any reason, excepting my death, my employment or membership is terminated, amounts still owing under this authorization shall be deducted from final pay due.

I understand that of the Arizona state dues \$4.73 is for a subscription to the *AEA Advocate* for one year and that annual membership dues to the NEA includes \$5.40 for *NEA Today*, \$3.25 for *Tomorrow's Teachers*, \$3.25 for *This Active Life*, and \$19.75 for Higher Education publications. Publications received by members are based on membership category.
